

Quality Policy Statement

We at National Petroleum Services Company are committed to supply and provide outstanding quality products by fulfilling the requirements of our customers and all stake holders.

We are dedicated to comply with and continuously improve by implementing the rules and regulations of the Quality Management System as per ISO 9001:2015 requirements.

This will be achieved by Setting quality targets and objectives from senior management input, management reviews, Monitoring quality performance,

Systematic Review of our quality performance at meetings.

Effectively Communicating our policy to all persons working at and on behalf of NPSC.

Ensuring appropriate training and competence of our personnel

Implementing the above give us a competitive advantage to be recognized as a market leader by extending and achieving optimal supply chain and integration solutions without compromise to quality, integrity and commitment.

This policy shall be reviewed annually or in response to a material change in our management system.

Taymor Farage

Managing Director
